The morning sun glistens
another day which
I shout out my usual,
"It's GREAT to be RICH!"

I've always been rich.
When just a small lad
I was told I was rich
by my mom and my dad.

Of course, they're rich, too!
They try not to flaunt.
But, they've got all they need.
They have ALL they WANT.

I hope you see.
I hope it's clear -
the way we think -
what we hold dear
is not the money
or stuff we own -
not fancy cars
or size of home.
It's not where we've been
or get to do -
it's what's in our hearts -
our attitude.

So, start today -
don't fret, don't fuss.
Lose your WANTS -
be RICH...like us!
